MID YEAR CONFERENCE

11-15 JULY

ORIGINAL

Jesus' death changes everything

What is MYC?

MYC (Mid Year Conference) is the one week of the year that you shouldn't miss!

Students from the Christian Unions at the five universities in Perth get together for a life changing time of exploring God's word, singing his praises, and enjoying each other's company.

The crux of Christianity

The universal symbol of Christianity is not a manger or a dove, but a cross—one of the most gruesome methods of torture and death ever invented.

For some Jesus' death is a turn off, for others it's just the basic stuff you leave behind in Sunday School. But in authentic Christianity Jesus' death is the key to everything – our relationship with God and with each other, our sense of ourselves, how we live, what we do with our lives.

Come and enjoy a week with hundreds of uni students from all over Perth as we explore Jesus' death through seminars, small groups, talks, and late night conversations over coffee and milo.

Come prepared to be changed, because Jesus' death changes everything.
