Guidance

DISCOVERING GOD'S PLAN FOR YOUR LIFE

MID YEAR CONFERENCE 2012
2-6 JULY

What is MYC?

Mid Year Conference is the one week of the year that you shouldn't miss! Students from the Christian Unions at the five universities in Perth get together for a life changing time of exploring God's word, singing his praises, and enjoying each other's company.

Join us in exploring the Bible together through seminars, small groups, talks, electives and late night conversations over coffee and milo.

Guidance

“What is God's will for me?”

“How can I be sure that I'm following God's plan for my life?” “What if I get it wrong?”

Every Christian wants guidance for their life. We intuitively believe that God will give it to us, but how can you be certain that you've received it? Our desire for clear guidance often doesn't match up with our experience! That's why this year's MYC is devoted to unpacking what God says about Guidance.

As you dig into the Bible deeper than you've ever dug before you will discover God's clear guidance for your life and therefore you'll be able to move forward in your Christian life with confidence.

Our speaker

Ben Rae is married to Shelley and they have a one year old daughter, Emily. Ben studied Science at UWA before working in field of gene therapy at the Lions Eye Institute. He is currently the AFES campus director at UWA.

Ben went to an MYC on guidance when he was a student and it revolutionised his life, so he's excited to be speaking on it this year.

What to bring

- Bible, pen, notepad
- Warm bedding (sheets, sleeping bag/blankets and pillow)
- Warm clothes, raincoat or umbrella, toiletries
- Money for the bookstall
- Gear for free time—sport or indoor games
- Something to share for supper (pack of biscuits, cake, slices)

Visitors' night

This year we're opening up MYC to visitors for one night only. If you're a former student, a parent, a supporter, a school chaplain, or a pastor with a youth group then we'd love you to come and experience an MYC evening session with us.

- Wednesday 4 July, 7pM
- \$8 (to cover site costs and materials)
