You'll be well connected

Kickstart is an orientation camp run by the university Christian Unions in Western Australia for Christians starting university in Perth in 2016.

You'll meet other Christians from your uni, both first year students and upper-year students who can tell you all you need to know about uni life. It's a great way to prepare for your first year on campus and equip you into the future.

Friends are welcome, and if you or they are not a Christian don't worry - you'll find out heaps of useful info and have a great time preparing for uni.

ON CAMPUS

At Kickstart you'll meet Christians from CU groups representing each uni in WA.

KICKSTART THE YEAR

The Christian Union on your campus will help you thrive as a Christian while you are at uni. Through Bible teaching, small groups, outreach events and camps during the year you'll strengthen your faith and help make Jesus known. The Christian Union is also a great place to think through issues and make new friends whilst you're at uni.
